

MFSA AGM & CONFERENCE

Our AGM and Conference for 2019 is almost HERE!

This year the conference will be held at .Coastlands Umhlanga Hotel , Umhlanga Rocks, 329 Umhlanga Rocks Dr, Umhlanga Ridge, 4000 on 14 August 2019 from 09:00 – 19:30.

We have GREAT speakers lined up for the event:

They include:

- GG Alcock

GG has been at times a shebeen owner, political activist, community worker and African adventurer, and more recently the founder of Minanawe Marketing, a leading marketing agency in the mass market.

- Dr Roelof Botha

For a provocative keynote that provides a balanced and authoritative perspective on South Africa's economic and political outlook – mingled with a delightful and always welcome sense of humour – Dr. Roelof Botha (son of the late, former Foreign Minister 'Pik') will add an insightful and though-provoking element to our conference.

This is INDEED going to be our flagship event of the year so make sure you are there.
